the arrival of Chuck and Gloria O'delle from the US for a month's vacation with relatives. Bro Charles and Gloria are instrumental to the growth of the Banawang church at Tunga lead by their nephew, Joseph Cotoner.

The half day campaign headed by Joseph Cotoner resulted to many interested people willing to study the Bible. This activity also helped restore weak brethren, encouraged warm fellowship for the local church and promote the church in the community while distributing Waray Bibles. The activity culminated with the sumptuous lunch prepared by the local brethren. Other Doorknocking activities are being continued by the Utap team on a small scale level in different outreach churches like Tanauan, Tolosa and Pastrana.

This activity also brings meaningful contacts for leaders left behind to follow up.
